

# **MyBill on DHL Express Mobile app**

# About the app

The MyBill functionality on the *DHL Express Mobile* app is a simplified version of the desktop version, where customers can **search**, **view** and **pay** invoices on their mobile devices.

Mobile app menu

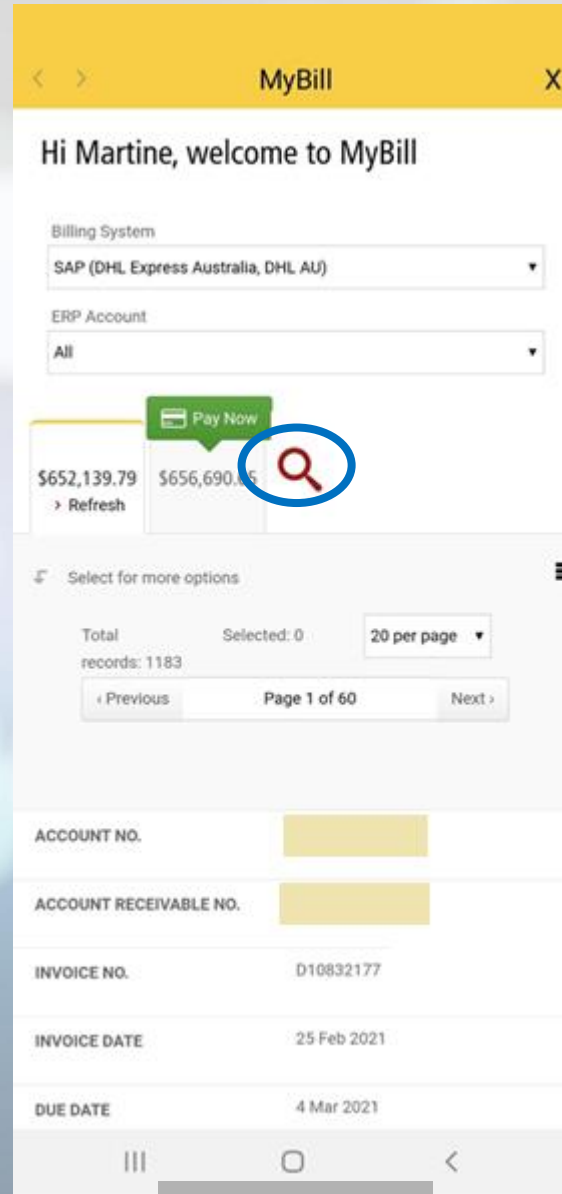

Landing page

# About the app - Search

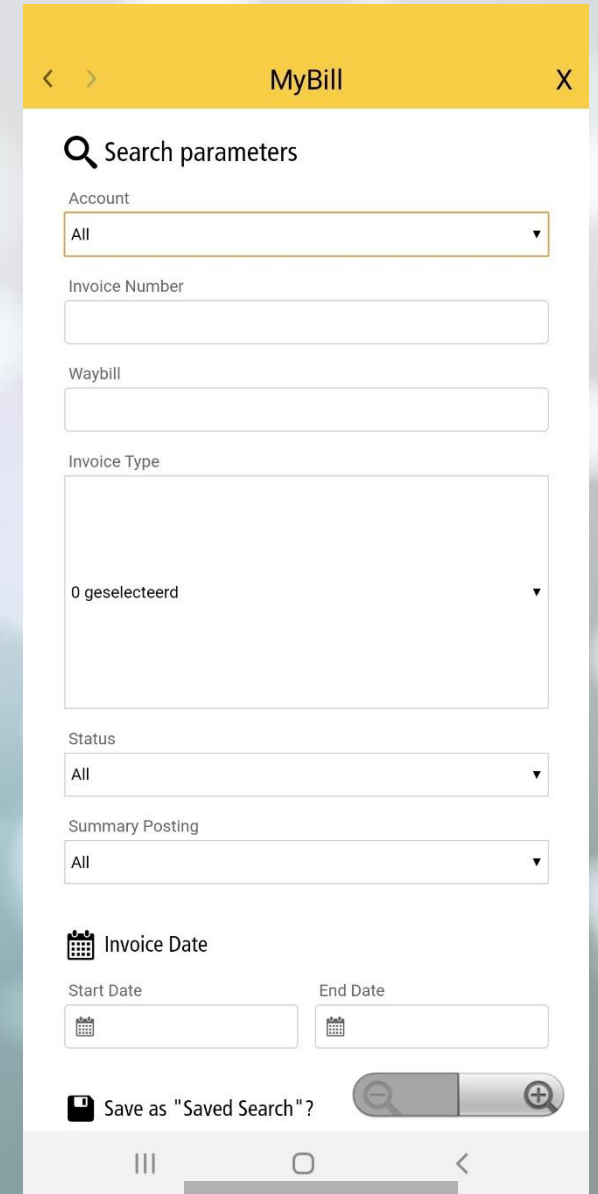

## Search

With the loop icon on the landing page the customer can open the search parameters.

It allows them to search for invoices by giving in several criteria.

## View

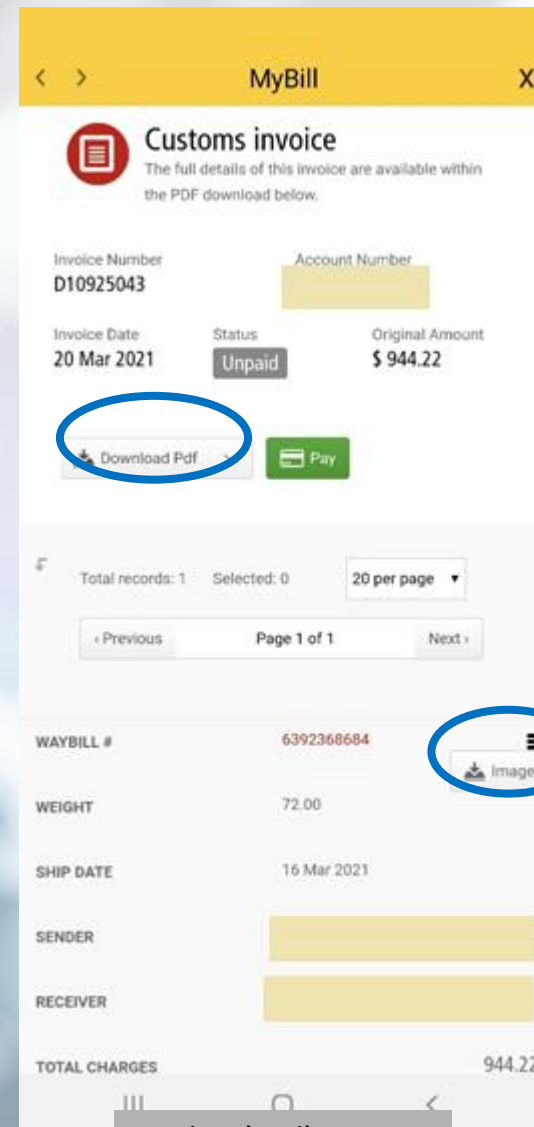

By tapping on the account number, an invoice details page opens. Here all paperwork can be viewed and downloaded.

Clicking the pay button will open the payment confirmation screen.

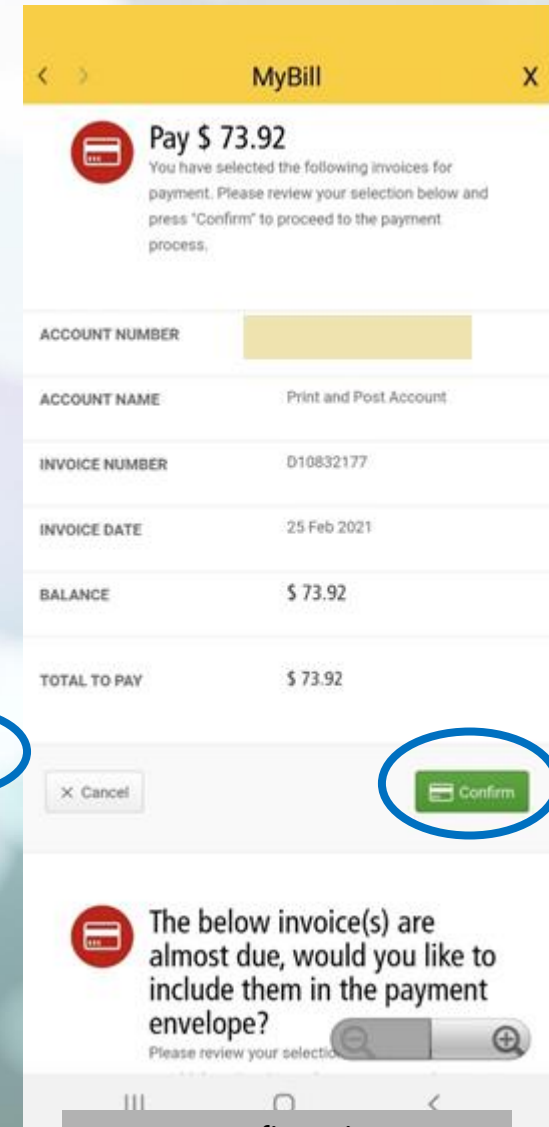

Pressing the Confirm button will redirect you to the actual payment screen of the PSP.
